Dear Parents, students and staff members,

As we moved through the vibrant days of April, our school continues to shine as a hub of learning, celebration, and heartfelt connection. From exciting sporting events that unite students across schools to joyful cultural festivities and moments of deep reflection, this month has truly reminded us of the strength of our community.

Here's a glimpse into the moments that made April both memorable and meaningful.

👽 Unity in Sport: Inter-School Soccer Match - 12th April

On **12th April**, the spirit of friendly competition lit up the grounds of Jewels International School of Kinshasa during the much-anticipated **Inter-School Soccer Match**. We proudly welcomed students from:

- Aurora School
- French School of Kinshasa
- Belgian School
- Turkish School
- English International School

The event was not only a celebration of athletic talent but also a wonderful display of **teamwork, sportsmanship, and international friendship**. From breath-taking goals to heartfelt handshakes, the day was a reminder of the strength found in diversity and collaboration.

Special thanks to our student-athletes, staff, volunteers, and visiting schools for making it a truly memorable occasion!

PYP Eid Celebration: A Festival of Light and Togetherness

Our **Primary Years Programme (PYP)** students brought colour and joy to the school as they celebrated **Eid** with warmth and enthusiasm. Dressed in vibrant traditional attire, the children learned about the values of **gratitude**, **giving**, **and unity**, sharing sweets, songs, and stories that reflected the beauty of this cherished occasion.

It was a day where cultures met in harmony and young hearts embraced the message of peace.

🌂 In Loving Memory: A Heartfelt Farewell

With heavy hearts, we share the passing of a beloved **PYP student** from our Jewels family. The radiant smile, gentle spirit, and kind heart touched the lives of many. As a school community, we have come together in grief, remembrance, and support.

We extend our deepest condolences to the family. May the soul rest in peace, and may we continue to carry their light in our hearts.

From the Director's Desk

"April was a month of both celebration and remembrance. We saw our students thrive in sports, rejoice in cultural festivities, and come together with compassion in a time of loss. These moments reflect the heart of our school — a place where learning, empathy, and global citizenship bloom side by side."

Warm regards,

Ms. Amína Munshí

School Director

Jewels International School of Kinshasa
