

*Dear Parents, students and staff members,*

*As we are about to complete the month of February, let take a moment to reflect on the events and memorable moments that brought to our school. It was a month filled with energy, resilience, and a celebration of achievements, both in and beyond the classroom.*

### *Sports Day 2025: A Celebration of Team Spirit*

*February was all about teamwork, determination, and sportsmanship as we hosted our much-anticipated **Sports Day**. Students from all grade levels participated enthusiastically in various athletic events, showcasing their skills and perseverance. The school grounds were alive with the spirit of competition and camaraderie, as students cheered each other on and displayed the values of discipline and fair play. A huge congratulations to all our participants and winners—you are all champions in our eyes!*

### *Reflections on Congo: Strength in Unity*

*As we continue to provide a nurturing environment for our students, we acknowledge the challenges our beloved **Democratic Republic of Congo** is facing. These are difficult times for many, yet we stand strong as a community—resilient, united, and hopeful. Congo's rich history tells a story of strength and perseverance, and we believe that even in adversity, we will rise together. Let us continue to support one another, extend kindness, and foster hope for a brighter tomorrow.*

### *Words of Encouragement*

*In times of uncertainty, **resilience** is our greatest ally. Let us remind ourselves that every challenge is an opportunity to grow, to learn, and to uplift those around us. No matter how difficult the road may seem, **together, we can create a future filled with hope, peace, and progress**. Keep believing, keep striving, and keep shining—just like the precious jewels that make up our school community.*
