

JISK  
May/June Newsletter  
Form the Desk of Amina Munshi- Manji  
Director

Dear JISK Community,

This will be the last newsletter you will be receiving this academic year. What a year this has been! JISK has been bustling with a ton of activities. Our last academic related event this year will be the Grade 5 Exhibition.

We encourage parents to attend this activity. A big thank-you to all our Educators for their hard work and enthusiasm.

Exams will begin the week of June 6. Please make sure that your child is well rested and has had a good breakfast (especially during exam period). Remember to keep things in perspective – exams only contribute to a percentage of your child's over all grades, so do not put too much pressure on your child.

I hope to see you the last few days at school during conferences and awards ceremonies. If I do not get a chance to meet each of you, I would just like to take this opportunity to wish all of you a safe and enjoyable summer holiday.

School will begin on September 6, 2022. For those of you who are unsure whether your child is returning, please note that we do not guarantee a place nor any school related supplies (practice books, etc.)

The administrative office will be open in July and August on certain days (please check opening times prior to coming).
